

ABConnect®

Providing global access to account data

In a world full of information, maintaining and accessing business records can be a time consuming and administrative process. Today, the ability for reinsurers to review their account, day or night, across a secure connection is more critical than ever.

Empowering Access

ABConnect® is Aon's secure, proprietary web portal that enables easy and efficient access to account information 24 hours a day. Reinsurers can view information about their contracts, claims, accounting, payments and other related documents. ABConnect provides a full range of account handling features and offers a safe and secure environment in which to share files and information with our business partners.

By using ABConnect, reinsurers are able to manage transactional data quickly efficiently and in a way that is tailored to their individual requirements.

Unique Features of ABConnect

ABConnect offers seamless navigation and a powerful search facility so that its core functionality can be accessed quickly by reinsurers. Key capabilities include:

- **Contracts:** presented in an easily understandable format that is composed of reinsurer participation and contract document repository
- **Claims and accounting:** including the following:
 - Claim activity
 - Claim experience
 - Balances
 - Payments
 - Inquiries
 - Claims and accounting document repository
 - Collateral funding: funding inventory and tracking
- **Functionality:** tailored to the individual needs of the user, offering:
 - Easy exporting of data to Excel and PDF, in addition to email reports
 - Improved efficiency with one-click "quick list" reports
 - "User guide" and "contact us" links to access support information
